

MONDAY 8TH DECEMBER 2025

DROP-IN SESSION FOR ALL PARENT CARERS WHOSE CHILDREN ATTEND A MAINSTREAM OR SPECIAL SCHOOL

At The Village School

We are the official strategic model for engaging and involving parents and carers of children and young people with SEND (0–25) in Brent.

Our goal is to create effective ways to reach families that reflect the diverse social, economic, and lived experiences within our community.

We work closely with all known groups to ensure that parents and carers who are seldom heard or harder to reach have the chance to share their views.

We also make sure equal attention is given to the voices of parents and carers whose children attend both mainstream and special schools, and who are supported through SEN support or EHCP
