

PINS in Brent Schools

Parent Champions Project

PINS SEND Parent Champions 2 day Training

As part of the Parent Participation work taking place in the Primary schools who are part the PINS project.

One of the areas we would like to develop is to have a small team of parent champions in each school who will act as the link between each school and their school community.

We would like to invite you to a briefing online where we will tell you about the role of being a parent champion.

We are looking for 2-3 parent/carers in each school who would be willing to volunteer 2-5 hours a week or month to meet with other parents telling them about services for children and young people with SEND such as:

- Acting as the Parent link at your child's school
 - Support us at our meetings or events to spread the word

What are the benefits for parents?

- Training to assist them to move toward developing your confidence and skills
- Experience that will support you toward new goals and employment
- You will become better informed and equipped in your own role as parents and working in partnership,

Day 1 Tuesday 2nd June at 10-2.30pm

Day 2 Tuesday 9th June at 10-2pm
